# BANKSIDE GALLERY

## A little bit about us...

Bankside Gallery is home to the Royal Watercolour Society (RWS), and the Royal Society of Painter Printmakers (RE). Its vibrant exhibitions celebrate the very best in contemporary water-based media and original print, championing the work of both new and established artists.

The Gallery hosts a diverse and exciting annual programme of events, exhibitions, talks and workshops. Since its opening by Her Majesty the Queen in 1980, Bankside Gallery has played a crucial role in displaying and promoting works on paper, exploring its boundaries while supporting educational activities organised by the RWS and RE.

We believe that art should be accessible to all. As a registered educational charity, your valued support is vital in the development and enhancement of our exhibition and educational programmes.
